

DAILY CURRENT AFFAIRS UPDATES – 25 November 2022

DAILY UPDATE 1 :IMPORTANT DAY

International Day for the Elimination of Violence against Women :25 November:-

On November 25, the United Nations designated International Day for the Elimination of Violence Against Women is observed worldwide. In 1981, activists at the Latin American and Caribbean Feminist Encuentros designated November 25 as a day to combat and raise awareness of violence against women in general; on December 17, 1999, the date was officially recognised by the United Nations (UN). The 2022 theme of International Day for the Elimination of Violence Against Women is 'UNITE! Activism to End Violence against Women and Girls.'

DAILY UPDATE 2 :RANK AND REPORT

India Set To Become World's Most Populous Country In 2023: UN Report:-

According to a United Nations report, India will overtake China as the world's most populous country by 2023. This is because China's fertility rates have fallen significantly in recent years, with the country expected to see an absolute decline in population numbers as early as 2023. India's population is expected to reach 1.668 billion by 2050, while

China's population will fall to 1.317 billion. These projections were made as part of the UN Department of Economic and Social Affairs' World Population Prospects Report.

DAILY UPDATE 3: RANK AND REPORT

Climate Change Performance Index 2023: India Ranked 8th In The List:-

In the Climate Change Performance Index (CCPI) 2023, India has risen two places to eighth place out of 63. The report was released by three environmental non-governmental organisations that track the climate performance of the European Union and 59 countries, which account for more than 92% of global greenhouse gas (GHG) emissions. Germanwatch, NewClimate Institute, and the Climate Action Network ranked the countries based on how well they are doing in halving their emissions by 2030.

DAILY UPDATE 4 : RANK AND REPORT

3 Indian Cities Among Largest Data Centre Markets In Asia-Pacific:-

According to a Knight Frank report, Hyderabad, Chennai, and New Delhi have emerged as three of the top data centre markets in the Asia-Pacific region. As a result, cities such as Hyderabad, New Delhi, and Chennai are seeing significant growth in the data centre market, with approximately 300MW to 400MW of IT capacity either live, committed, or under construction in each location, according to Knight Frank. In recent years, Melbourne has developed into a key data centre

market, with renewed interest from local and regional operators poised to add close to 450 MW to the existing live supply.

DAILY UPDATE 5 :SCIENCE AND TECHNOLOGY

US Space Agency NASA Launches Artemis-1 Rocket On A Mission To The Moon:-

NASA's next-generation rocketship, launched from Florida on its debut flight half a century after the Apollo era's final lunar mission, was on course for a crewless voyage around the moon and back on November 16. The much-delayed launch marked the start of Apollo's successor programme, Artemis, which aims to return astronauts to the lunar surface this decade and establish a sustainable base as a stepping stone to future human exploration of Mars. The three-week Artemis I mission marks the first combined flight of the SLS rocket and the Orion capsule.

DAILY UPDATE 6 :ECONOMY

India Becomes The World's Second Largest Producer Of Steel:-

Jyotiraditya Scindia, Union Minister of Steel, stated that India, which was previously a net importer of steel, has now become a net exporter. The Minister was speaking at the State Government Steel Conference in New Delhi. Mr. Scindia also stated that India has risen from the fourth to the second largest producer of steel on a global scale. Speaking of the

country's steel consumption growth, he added that per capita steel consumption increased by 50% in the last eight years, from 57.8 kilogrammes to 78 kilogrammes.

DAILY UPDATE 7 : ECONOMY

5G May Contribute Up To 2% To India's GDP By 2030:-

While 5G is still in its early stages and is being phased out across the country, it is expected to contribute up to 2% of India's GDP by 2030, amounting to approximately \$180 billion, according to a report by NASSCOM, the technology-focused trade association and advocacy group. Internet penetration in India has historically been higher than in other countries, and it is expected to continue to rise significantly in the future. Between 2015 and 2019, telecom subscriptions in India increased at a CAGR(compound annual growth rate) of 3.37 percent.

DAILY UPDATE 8 : NATIONAL

National Commission For Women Launched Digital Shakti 4.0:-

The fourth phase of the Digital Shakti Campaign, a pan-India project aimed at digitally empowering and skilling women and girls in cyberspace, was launched by the National Commission for Women (NCW). In keeping with its commitment to creating safe spaces for women and girls online, Digital Shakti 4.0 focuses on empowering women to be digitally skilled and aware of the importance of standing up to illegal/inappropriate online behaviour. According to a press

release from the Ministry of Women and Child Development, NCW launched it in collaboration with CyberPeace Foundation and Meta.

DAILY UPDATE 9 :SPORTS

Paris Olympics 2024: Phrygian Cap Chosen As Paris 2024 Mascot:-

The Paris Olympic Committee recently unveiled Phrygians, the 2024 games' red mascot. The Olympic and Paralympic Phryge mascots are based on Phrygian caps, a type of hat that has long been associated with freedom in French history. Phryges are small Phrygian caps, which represent a strong symbol of liberty, inclusivity and the ability of people to support great and meaningful causes. They are kitted out in a red, white and blue colourway, with the golden Paris 2024 logo emblazoned across their chests.

DAILY UPDATE 10 :APPOINTMENT

Ex-Chief Economic Advisor Arvind Virmani Named As Full-Time Member Of NITI Aayog:-

Arvind Virmani, India's former chief economic advisor, has been appointed as a full-time member of NITI Aayog by the government. The Prime Minister chairs the Aayog, the government's premier think tank, which currently has three members: V K Saraswat, Ramesh Chand, and VK Paul. From 2007 to 2009, Arvind Virmani was the finance ministry's 13th

chief economic adviser. Following that, he was executive director of the International Monetary Fund (IMF), representing India, Bangladesh, Sri Lanka, and Bhutan.
