

## DAILY CURRENT AFFAIRS UPDATES – 09 October 2022

### DAILY UPDATE 1 :BOOKS

#### Biography Of BR Ambedkar "Ambedkar: A Life" Authored By Shashi Tharoor:-

Shashi Tharoor, a Congress leader, has published a biography of Dr. BR Ambedkar in which he provides insights into his life as well as highlights disagreements the latter had with other political and intellectual giants of his era, including Mahatma Gandhi and Jawaharlal Nehru. Tharoor's "Ambedkar: A Life" will also attempt to answer the question of whether Ambedkar was the greatest Indian of modern times. The Congress MP traces Ambedkar's life from his birth on April 14, 1891, into a Mahar family in the Bombay Presidency, to his death on December 6, 1956, in Delhi.

### DAILY UPDATE 2 :RANK AND REPORT

Akash Ambani, chairman of Reliance Jio, has been named to Time Magazine's Time100 Next list, which recognises 100 rising stars from around the world. The 30-year-old son of Reliance Industries chairman Mukesh Ambani is the only Indian in the list of emerging leaders. On June 28, Akash Ambani took over as the chairman of Reliance Jio, currently India's largest telecom company. Prior to his current position, the junior Ambani was the non-executive director at

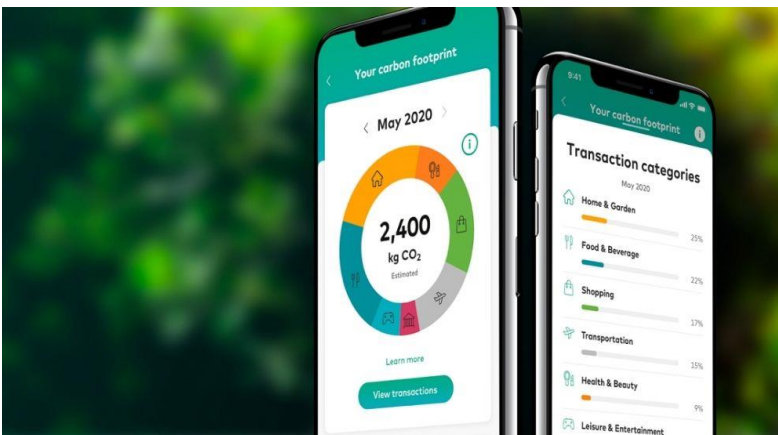

## DAILY UPDATE 7 : BANKING

### Airtel Payments Bank Rolling Out 1.5 Lakh Micro ATMs This Fiscal:-

Airtel Payments Bank has begun a phased rollout of 1.5 lakh micro ATMs across tier 2 cities and semi-urban areas to facilitate cash withdrawal for its customers, according to the company. The bank will gradually expand its service to include more banking points. Through this initiative, the bank will leverage its strong network of over 5 lakh banking points across India to provide users with easy cash withdrawals, it added. The company intends to complete the installation of 1.5 lakh micro ATMs by the end of the current fiscal year.

## DAILY UPDATE 8 : MISCELLANEOUS

### Mastercard To Launch 'Carbon Calculator' For Indian Consumers:-

Mastercard, the Global payments and technology company, is in talks with Indian banks to roll out its Carbon Calculator feature, which provides consumers with an estimated carbon footprint for each of their purchases. "Carbon Calculator is a service that we provide to banks. The personalised carbon footprint tracker can tell consumers the cumulative effect of carbon footprint across a variety of spending categories in a month. We have launched it in many countries and, now,

we are in talks with banks in India to roll it out here," said Ken Moore, Chief Innovation Officer, Mastercard.

## DAILY UPDATE 9 :BANKING

### Bank Of Baroda Launches 'Khushiyon Ka Tyohaar':-

Bank of Baroda (BOB), one of India's leading public sector banks, has announced the launch of 'Khushiyon ka Tyohaar,' its annual festive campaign with a variety of offers, as the festive season begins. During this campaign, the bank will offer competitive interest rates on home and car loans, as well as a waiver/discount on processing fees and other perks. Customers will also receive a number of other benefits under Khushiyon ka Tyohaar, including no pre-payment/part-payment charges, reduced processing fees, and a seven-year repayment term.

## DAILY UPDATE 10 :ECONOMY

### Active Credit Cards Drop 2.3 Million In August Over New RBI Norms:-

The outstanding credit card base fell to 77.99 million in August from over 80 million in July, owing primarily to the Reserve Bank of India's (RBI) new rules mandating the deactivation of cards that have been inactive for a year. While net card additions fell 2.8% month on month (MoM) in August, the first decline in many months, credit card spending fell 3% on a high base. In August, major issuers such as HDFC Bank and Axis Bank saw a significant drop in net credit card

additions.
